

Covid-19 Safety Protocol

We are please to have you visit the beautiful Similkameen Valley. The health of our visitors and staff is our utmost priority. We have taken measures to ensure their well-being. We have implemented health and safety precautions in accordance with the Provincial Health Officer and WorkSafeBC guidelines.

We ask that visitors enter the wineshop or attend outdoor tastings only if they are feeling well and are not showing any symptoms of Covid-19, have not travelled outside of Canada in the last 14 days, and have not had contact with any persons who may have had contact with Covid-19.

Please respect social distancing protocols of 2 metres and wait for staff direction.

Sanitizers are available at entrance points and we request that all visitors sanitize their hands prior to entering the wineshop and attending tastings.

All counters and frequently touched surfaces (debit machine, doorknobs, etc) will be cleaned and sanitized between customers.

Our winery capacity is reduced to a maximum of 14 people in tasting room (including staff) with a physical barrier separating 2 groups at a time.

Individual spittoons will be supplied for each guest.

We will be limiting tasting opportunities to adhere to safe distancing protocols.

We are so happy to have you visit. One of the things we love most about wine is how it brings people together to share and enjoy. We hope to continue to do this in a comfortable and safe manner. **Tastings by appointment only.** When you arrive for your appointment, please wait for staff to direct you. Inquiries can be made via our website www.oroфинovineyards.com, or by calling 250-499-0068.

Cheers from the Orofino Team
